# NOMADER HYBRID ULT

The Nomader Hybrid ULT from SWM redefines the premium utility segment, designed for riders who demand the best. This top-tier machine perfectly blends robust power with exceptional comfort and cutting-edge performance. Elevating luxury and technology, the ULT model delivers an unparalleled off-road experience.

### Main Features

#### Enhanced Durability

Engineered for the long haul with its robust, high-yield strength alloy steel frame. This fortified construction provides unmatched resilience, giving you absolute confidence to conquer the most challenging terrains.

#### Dominant Hybrid Performance

Unleash unprecedented power with the Nomader Hybrid ULT's class-leading 210 hp hybrid system. It expertly merges the immediate thrust of electric torque with the enduring force of a gasoline engine, ensuring explosive acceleration and the capability to effortlessly tackle any demanding task.

#### Intelligent Control

Packed with cutting-edge features for an optimized ride. Enjoy enhanced safety and handling with Turf mode, anti-theft, active descent control, and intelligent throttle. Combined with engine braking, three drive modes, and three-mode EPS, you get precise command in every situation.

#### Maximize Your Hauling

Engineered to handle serious loads, boasting a 992 lb (450 kg) cargo bed capacity. Its impressive 1,830 lb (830 kg) towing power means you can confidently pull trailers for any work or adventure. Get ready to tackle bigger jobs and bring more gear with ease.

#### Seamless E-Controls

Experience effortless driving with the E-SHIFT system, providing instantaneous gear changes at your command. For added peace of mind, the vehicle automatically engages Park when powered off, ensuring it's always secure.
