Total Rack Capacity

TRAILHUNTER 850

TRIMS AVAILABLE: EPS, ULT, MUD

When you're ready to conquer rugged landscapes, reach remote areas, and amp up your outdoor adventures like exploration and hunting, the Trailhunter 850 is your perfect choice.

Main Features

Unrivaled Durability

You demand a vehicle that can take a beating, and SWM ORVs deliver. Every SWM Off-Road Vehicle is built on a high-yield strength alloy steel frame.

Engine with Superior Performance & Efficiency

Thanks to BOSCH EFI, our engine offers superior fuel efficiency, smoother power delivery, lower emissions, and an overall better driving experience. Its larger displacement, combined with EFI's precise control, optimizes performance for the next level.

Optimized Driving Comfort

Every SWM ORV features an innovative and highly reliable suspension system with 20% more travel than competitors in its class. This translates to superior off-road performance and enhanced driving comfort—you'll feel the difference.

Added Storage Capability

Our design features integrated front and rear sunken storage compartments, providing ample space for all your gear and adventure essentials.

Intelligent Options

Elevate your ride with our ATV's deluxe intelligent features, including: Tri-mode EPS, Engine Braking, Intelligent Throttle Control, multiple work modes (Eco/Std/Sport), Active Descent Control, Anti-theft, and Electric Gear Shift.
